General Store

We are thrilled to announce that we have officially broke ground on the build out of our own store in the A-building. This will make it convenient for you to buy things like pizza, coffee, wine, ice cream, etc without leaving our building. With market research, we also concluded this will be a boost to our property value.

Resort Wide Happenings

The MBR Masterboard has hired First Service Residential to be the new resort management company. Not long after The RT did the same. Now 4 of the 5 regimes are represented by the same team. This creates easier communication, direction, and team work. The goal of one team, one resort, working for the homeowners is what we should all continue striving for. Our goal is to make MBR one of the premier destinations in all of myrtle beach.

The next MB meeting will be held at the Doubletree hotel at 10 AM on Saturday, January the 25.
There will also be a zoom option for those not able to attend in person.

Soon more resort renovations will start. First, the bridge project that will take about 3 weeks. There will be a new bridge from the b-building parking lot to the Quarterdeck and to the ocean. The second is the remodeling of the Snack Shack. The inside and outside will be done including the new color scheme to match the Quarterdeck and a new official name.
